

2022's Community

IMVELO
SAFARI LODGES

CONNECTING PEOPLE AND NATURE

and Conservation Efforts

in Numbers...

Habitat Protection

197 million

litres of water pumped for wildlife in 2022 across our 18 wildlife pumps

10 acres

of overgrazed communal land matted- packed with selected foliage to promote grass growth

10.5 km²

of communal grazing land allocated to a second community rhino sanctuary further along Hwange's boundary

240 kilometers

of fireguards maintained inside and around the Park

Wildlife Conservation

2

white rhinos relocated to communal land in the Hwange area, where they had not been seen in 20 years

5 375

hours spent by Cobras Community Wildlife Protection scouts guarding two new community rhino

450

school children and 15 teachers visited the sanctuary to learn about wildlife with fun interactions with our rhino and scouts

42

Cobras scouts strength when 17 new recruits started training with our 25 experienced scouts

Water and Food

+100

domestic boreholes maintained to supply water to 5,000 households and their livestock

+410 000

school lunches provided to 11 schools, totaling more than 3.5 million lunches over 10 years

1.6 tons

of maize seed distributed to community members

5

new boreholes drilled in remote villages

Education

161

school bursaries provided to children across 13 schools

360

stationary packs distributed to school children across 10 schools

1

classroom block built at St Joseph's Primary School

30 000

textbooks distributed to over 110 schools, providing a total of over 68,000 books in kids' hands over the last 10 years

Healthcare and wellbeing

+5 000

patients treated by our Smile and See programme in 2022, bringing our total to +36 000 patients treated in 12 years

852

patients treated at the now operational Ngamo Clinic

1 480

children received fluoride applications

38

free cataract surgeries were provided, bringing our total surgeries to date to 200
